

MORE MYSTERY IN THE VALLEY

"You won't read a better thriller this year!"
—John Lescroart, *New York Times* bestseller

THE QUEEN OF PATPONG

A POKE RAFFERTY THRILLER

TIMOTHY HALLINAN
AUTHOR OF BREATHING WATER

Timothy Hallinan

Friday May 11 at 6p
Bookwagon Ashland St

Poke Rafferty's settled in Bangkok, and for an ex-pat, is a surprising insider. Poke's familiar with the underbelly, and the belly of the

underbelly too. He's assembled a family—a waif named Miaow and Rose, the former and legendary

Queen of Patpong. This is her back-story: a frightening, courageous journey to adulthood, facing terrible challenges yet never losing her essential integrity.

I can't get enough of Timothy Hallinan.
Read him. You won't be sorry.
You'll want more.

Riveting, genuinely moving, and entirely plausible. Miaow's entry into a stormy adolescence and her parents' efforts to deal with it are knowingly written. Even Bangkok seems more richly detailed than in past adventures . . . The Queen of Patpong is a terrific page-turner, and the surprising denouement will thrill readers who want the good guys—or girls—to win in the end.
