In *Secondhand Spirits*, Lily Ivory is not your average witch. Her spell-casting powers tend to draw mischievous spirits while keeping normal humans at a distance. Joining forces with a male witch, a skeptical myth buster, and a coven of

Wiccans, Lily will risk all to stop innocents from dying.

"Secondhand Spirits is an excellent blend of mystery, paranormal, and light humor, creating a cozy that is must-read for anyone with an interest in literature with paranormal elements."
